

# Become a Literacy “Hero” in Someone’s Life!

## Train to be a Tutor at Literacy Volunteers of Central CT

*Our mission is to help improve the lives of adults 18 years and older by tutoring them in English. These students are looking to improve their language skills for many different reasons: to become a U.S. citizen, to get a driver’s license, to help their children in school, to navigate our healthcare system, and to gain employment.*

*We have a daytime and evening training for volunteers scheduled for September 2022.*

*10am-12noon at the Russell Library in Middletown on all the following dates: September 20, 22, 27, 30.*

*6-8pm at the New Britain Public Library on all the following dates: September 19, 22, 26, 29*

*Once trained, the commitment to tutor is once a week for two hours. Your class time can be in person or remote.*

*We offer a modified training for those who have a background in teaching/education.*

*For more information please contact Lynne at [Lynne@literacycentral.org](mailto:Lynne@literacycentral.org) or call 860-229-7323 You may use the QR code to register on our website:*
